

**Tough on impurities...**

**gentle on your budget**

## Introducing Low Cost **Advantage Grade** Purging Compound Knocks out impurities *without knocking out your budget*

If you're looking for a reliable alternative to costly purging compounds, *Advantage Grade* makes the grade. It's fast. It's powerful. And it's safe. Plus, it's designed to clean out your machine, not your budget. *Advantage Grade* offers you what other compounds can't, such as benchmark quality, over-the-top service and unrivaled experience.

Before using *Advantage Grade*

*Advantage Grade* is a new generation of Asaclean, a trademark of Asahi Kasei, maker of the world's best selling purging compounds. And because we are the industry leader, you can trust us to help your business successfully meet the challenges

After using *Advantage Grade*

of today's changing technological requirements and economic realities.
