

Rated the "Best for Product Performance" in Injection Molding Magazine readers' survey.

Purging without **ASACLEAN...** is like washing without soap

You wouldn't try washing without soap. So why try to clean your injection molding machine or extruder without purging compound?

ASACLEAN, with its exclusive *SuperClean Technology*, rids your machinery of contaminants that contribute to resin waste and machine downtime. Plus, it makes

color/resin transitions quick and easy and virtually eliminates the need for cleaning disassembly.

Visit www.asaclean.com or call
1.800.787.4348 for a **FREE** sample.

It's not clean until it's

ASACLEAN®
PURGING COMPOUND

AsahiKASEI

ASACLEAN is manufactured by ASACLEAN-Sun Plastech Inc., a subsidiary of Asahi Kasei Chemicals Corporation.
